PRINCIPAL'S MESSAGE

Childhood is the most important phase of life and children learn their ways of living at this stage. Implementation of CMP and CCE has provided children the opportunities to express themselves. It has also helped the evaluators to judge the all round development of children. I appreciate the efforts done by the editorial team and other primary staff members in bringing out this newsletter in the crucial time of Covid -19 pandemic situation , It gave a wonderful opportunity for the learners to overcome the pandemic situation by shifting from regular school to e-learning.

Mr. Ch. Babu Rao

VICE PRINCIPAL'S MESSAGE

Since the stress has been shifted from teaching to learning, the students and their activities came into focus. The activities devised by teachers help a lot in the process of learning. When their activities are endorsed they become a memorable for the learners. This News Letter gives us glimpses of activities done by the students or for the students in the Vidyalaya.

DR. JEETENDRA SINGH MEENA

PRIMARY INCHARGE MESSAGE

It gives me immense pleasure to put forth this issue of the Newsletter of our Vidyalaya for our well wishers and beloved readers. The Newsletter chronicles the recent activities, events and happenings of the primary section of our Vidyalaya during the pandemic situation of covid-19. It gives an opportunity to exhibit the talents of the teachers and students in the field of common minimum programme and co-curricular activities on one hand and gives our parents a glimpse of the activities of their wards on the other hand. Thank you all.

SUPERANNUATION

Mr. M.S.V.S.V. LAKSHMI NARAYANA HM (31.01.2020)

Mrs. . G. JAYA LAKSHMI - (31.03.2020)

Our Vidyalaya's well-known Headmaster Mr. M.S.V.S.V. LAKSHMI NARAYANA and one primary teacher Mrs. G. JAYA LAKSHMI madam retired on 31ST JANUARY 2020 and 31st March 2020. respectively. They selflessly worked in the school's development. Both served for 34 years in KVS. Both were sincere and punctual in their works. Both were loving, caring and hard working also. Children also loved them very much. They always did their work systematically, they approached all colleagues with smiling faces, we missed them a lot.

EDITORIAL

Team work divides the tasks and multiplies the success
How true these words are! The Editorial Board divided the task of selecting and editing the articles and thus multiplied our success of bringing out this E -Newsletter in the present form. The articles that have been included are of varied themes , genres and languages, each one of having its distinct flavour , which can be savoured as you flip through the pages. Wishing you happy reading time, we, from the Editorial Board, take leave!

कोरोना वायरस

मिलकर कोरोना को हराना है,
घर से हमें कहीं नहीं जाना है,
हात किसी से नहीं मिलाना है,
बार बार अच्छे से हाथ धोना है,
सेनेटाइज करके देश को स्वच्छ बनाना है,
बचाव ही इलाज है यह समझना है,
कोरोना से हमको नहीं घबराना है,
सावधानी रखकर कोरोना को मिटाना है,
देशहित से हमें जो यह कदम उठाना है,
मिलकर कोरोना को हराना है।

कहानी

"दूसरों की सहायता करने में अलवि"

एक गाँव में एक बूढ़ी अम्मा और उसका पोता रहते थे। उनके पास खाने को कुछ भी ना था। केवल थोड़ा सा गेहूँ का आटा और थोड़ा सा तेल था। जिससे वह बूढ़ी अम्मा केवल दो रोटी बना सकी। जैसे ही वे दोनों खाने के लिए तैयार हुए, तुरंत एक बिकारी का आवाज़ सुनाई दिया - "अम्मा मुझे खाने को कुछ दो मैं बहुत भूखा हूँ।" यह आवाज़ सुनते ही वह बूढ़ी अम्मा अपनी रोटी लेकर उस बिकारी के दे दिए। लेकिन वह बिकारी असली में बिकारी न था केवल वह परमेश्वर था जो उस बूढ़ी अम्मा की परीक्षा करने उस रूप में आए थे।

जैसे ही वह बूढ़ी अम्मा उस बिकारी को रोटी देकर अंदर चली गई तो उस ने देखा कि डिल्ला बरके आटा और टिन भर तेल था। वह अम्मा और उसका पोता उसे देखकर आश्चर्य चकित रह गए। उस दिन से वे दोनों कभी भूखा न रहे और शायद गाँव इस अद्भुत काम की प्रशंसा करने लगे।

इस कहानी से हमें यह पता चलता है कि हम दूसरों के कष्टों में उनकी सहायता करने से परमेश्वर हमारी भी सहायता करेगा।

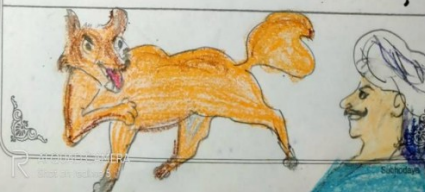

लोमड़ी और लकड़हारा

एक बार एक लोमड़ी बिकारी से बचने-बचते एक लकड़हारे के पास जा पहुँची। उसने लकड़हारे से खिन्ती की, "कृपा करके मुझे बिकारी से बचा लो, मैं तुम्हारी एहसानमंद रहूँगी।"

लकड़हारे ने लोमड़ी से अपनी झोपड़ी में छिप जाने को कहा। कुछ देर बाद बिकारी वहाँ आया और उसने लकड़हारे से लोमड़ी के बारे में पूछा तो लकड़हारे ने मुँह से तो 'न' कहा दिया, लेकिन उंगली से अपनी झोपड़ी की तरफ इशारा कर दिया।

बिकारी की समझ से कुछ नहीं आया और वह वहाँ से चला गया।

बिकारी के जाने के बाद लोमड़ी झोपड़ी से बाहर आई और जाने लगी तो लकड़हारा बोला,

कानी हिरणी

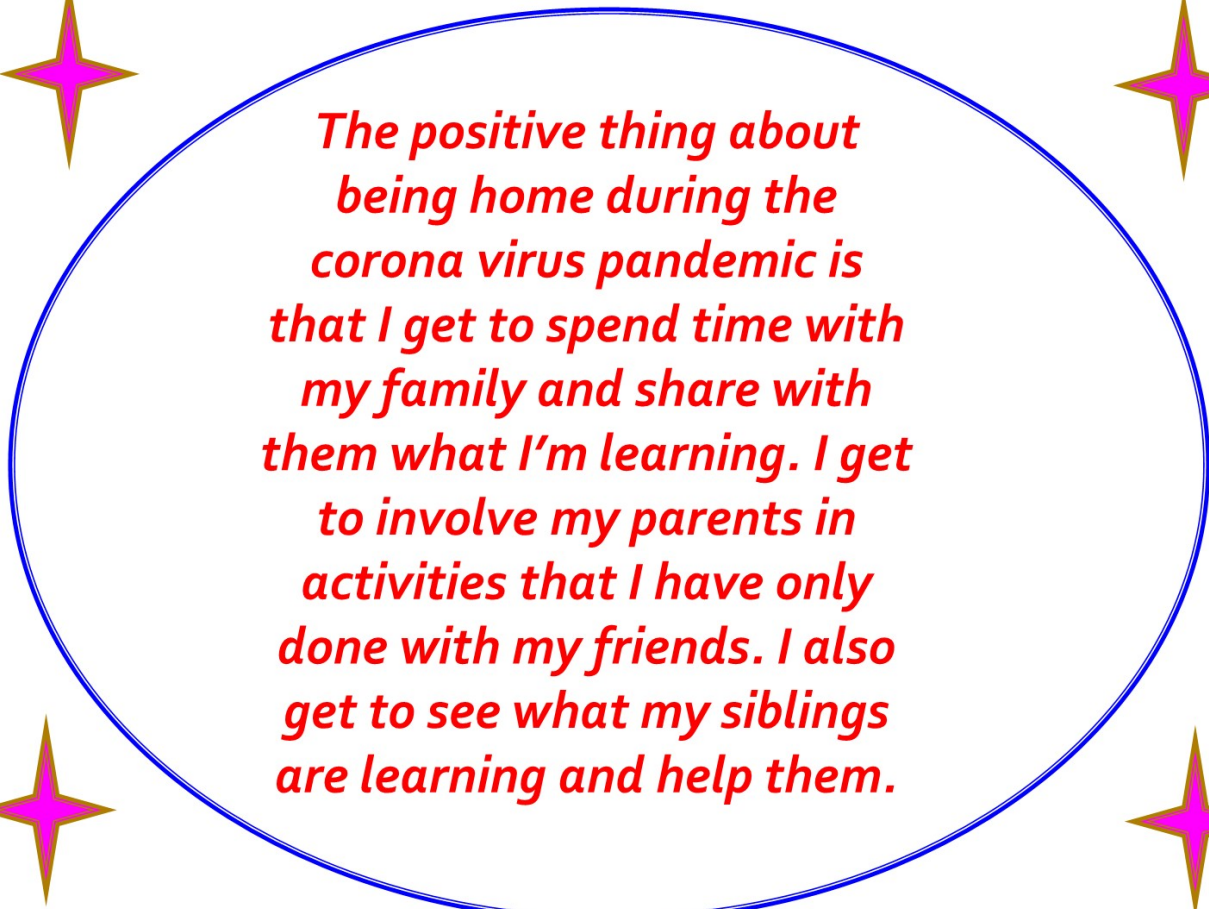

एक हिरणी की एक आँख में किली बिकारी का तीर लगा गया। उसे अब एक ही आँख से दिखाई देता था। पर वह दुखी नहीं हुई किसी भी खतरे से बचने के लिए वह ऊँची पहाड़ी पर चरा करती थी।

एक बार नाव पर सवार होकर समुद्र की ओर से बिकारी आए।

हिरणी आवाज़ से चौकड़ी हो गई। उसने तिर घुमाकर चारों ओर देखा। नाव से निशाना साधते बिकारी को देखकर वह सब समझ गई और पलक झपकते चौकड़ी भरकर नौ दो ग्यारह हो गई।

The positive thing about being home during the corona virus pandemic is that I get to spend time with my family and share with them what I'm learning. I get to involve my parents in activities that I have only done with my friends. I also get to see what my siblings are learning and help them.

Dussehra

Dussehra is a Hindu festival which celebrated the victory of Lord Rama over the evil King Ravana. On this day Lord Rama defeated the demon king Ravana after a long battle. This day is all so known as victory of Goddess Durga over Mahishasur to protect the world. On Dussehra, people make effigies of Ravana and burn it. Many fairs and programs organize throughout the country.

Beautiful, beautiful nature is beautiful. We find we all love it. Everybody takes care of nature. Hills, fields, mountains and sometimes there are called nature, nature, nature.

IMPORTANCE OF TREES
SAVE THE TREE

Trees are very important in our life. Trees are precious gift of nature. Life without the tree on earth is impossible. Many needs of humans are fulfilled from the trees. If the cutting of trees does not stop then in the future we may have very big problems.

Trees are big friend of us. We eat food, used to burn/clothing to wear, all these things we get from the trees.

The tree convert carbon dioxide into the oxygen. Let us all plant more trees and make our mother earth even more green.

POEM ON CORONAVIRUS - 10th news letter

We may be young or old,
But we must be bold,
Against the enemy untold.

We can't go to malls,
Nor can we go to waterfalls,
Because this virus is so scary,
Sending our spine into a shivering.

If you have to go out, think twice,
Wear your mask, be wise,
After coming home, sanitise,
And wash your hands thrice.

COVID-19 is the name,
It is playing hide-and-seek game.
By following the rules, we can ensure endgame.
